

Divine Healing ABCs

Beloved, the experts have been prophesying that Covid 19 is not

the last pandemic that will hit the earth. They are saying that there are many more pandemics on their way. The Bible says as much!

That really ought not move you at all, as a child of God. Why? Because Jesus settled the matter of your health 2000 years ago. The question is: do you know that? Do you know chapter and verse for it? Is Healing an academic thing with you? Do you believe in, and have you accepted Jesus **as your Protector and Healer**, not just as your **Savior**?

Actually, the Greek word for “salvation” which is Soteria, encompasses more than just salvation from going to hell after you die. It includes **salvation from hell on earth** as well! As such, it includes protection, preservation, provision, soundness of mind, healing and health for your body etc. It includes all that Jesus meant when He said that He had come that we may **have life and have it “more abundantly”** in **John 10:10**. We must remind ourselves of those New Covenant promises and continue to renew our minds to them in the times that we live in and going forward.

In order to accept Jesus as your **Protector and Healer** and walk in that reality, the following three scriptures are a “**must know**,” and a “**must believe**” for every child of God given the times that we live in. They are not the only relevant scriptures of course. There is **the entire Psalm 91, especially verse 16**. But these three are easy to grasp. **Study and meditate them and, study and meditate them and then study and meditate them some more until you are more convinced of the reality of their revelation than you are what your name is!**

1. **Isaiah 53:4-5...surely**, He (Jesus) **hath borne** our grief (s)... by His (Jesus’) stripes **we are healed!**
2. **Matthew 8:17...**(Jesus) Himself **took** our infirmities) and **bare** our sickness(es)!
3. **1 Peter 2:24...**Who (Jesus) His own self...own body...by whose (Jesus’) stripes ye **were** healed!

Once you **know** the revelation in the above scriptures, you will, personally, **know** and be convinced of the answers to the following questions...**and you must**:

Is it God’s will to heal?

Emphatically, yes! This is like asking if it is God’s will to save? Of course! How do we know? The Bible says so. **John 3:16** says so. The Bible is just as clear with regards to God’s will to heal. The difference is that God’s will to heal has not been preached or taught nearly as much compared to God’s will to save. Therefore, God’s will to heal is not as widely accepted and believed in since “so then faith comes by hearing” and hearing...

Of course, most Christians will tell you that they believe that God **can** heal and does heal...sometimes! That is like saying that you believe that God **can save** and does save...sometimes! No! God has already saved ...done everything He can do to save...every Man on this planet! All that is necessary is for folks to hear the good news and **RECEIVE** their salvation! It is the EXACT same thing with healing! **Some folks fail to receive Salvation. Others fail to receive Healing. But, in both cases, it is a failure to receive, not whether it is God’s will or not!** One thing that is necessary so that you don’t miss out on God’s provision of healing and protection is to **know** the above scriptures so that you can answer the above question and the following questions in the affirmative “without any mental reservation or purpose of evasion!” That is, without any “**yeah, buts.**”

The gospel truth is that Healing is an inseparable part and parcel of Salvation...and you get what you believe for. God does not want your spirit emaciated and ravaged by sin any more than He wants your body ransacked by cancer! With God you can have "all of the above!"

For more proof of the Father's will regarding healing, check out the ministry of Jesus:

Matthew 9:35

And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom and healing **EVERY** sickness and **EVERY** disease among the people.

Matthew 4:23

And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing **ALL** manner of sickness and **ALL** manner of disease among the people.

Luke 6:19

And the whole multitude sought to touch him: for there went virtue out of him and healed them **ALL**.

Matthew 8:16

When the even was come, they brought unto Him many that were possessed with devils: and He cast out the spirits with His word, and healed **ALL** that were sick:

Acts 10:38

How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good and healing **ALL** that were oppressed of the devil; for God was with him.

Yeah, but...is Jesus still healing TODAY?

Well, of course!!! He has not changed! See **Hebrews 13:8**. Jesus is every bit as compassionate today as He ever was. He has not gone sour! He is still the sweet, healing Jesus! Glory! He has not abandoned us just to Doctors and hospitals! (Thank God for Doctors and Hospitals.) On the contrary, Jesus still easily handles cases Doctors and Hospitals can't, Hallelujah!!!

Yeah, but...is it God's will to heal EVERYONE?

That's like asking if it is God's will to save everyone! Well, of course!!! **John 3:16!** Since when does God show favoritism? Jesus never once turned anyone away that came to Him in faith for healing! He always healed them all!

Yeah, but...is it God's will to heal EVERYONE, EVERY TIME?

Would you keep a Dr. who sometimes wanted you well but at other times thought you were better off with the pain or condition? **The trouble with some Christians is that they seem to think that Doctors and Hospitals are more compassionate than God...**whereas God might not always want you healed, Doctors and Hospitals always do their best to get you healed!

What loving parent does not want all of their children healed every time they get sick? Is there any father that is more loving than our heavenly Father?
